

Aluminium Sunrooms & Glass Rooms

Glazed aluminium rooms with a 5+5 mm laminated glass roof.

OVERVIEW

An aluminium sunroom adds a glazed room to the house or terrace. Slim aluminium frames carry glass walls and a roof of 5+5 mm laminated glass in 1,100 × 1,100 mm panels, with projections of up to 5,000 mm.

Laminated glass roof	5+5 mm laminated glass in 1,100 × 1,100 mm panels.
Aluminium frame	Extruded aluminium posts, beams and glazing frames.
30+ year warranty	Warranty of 30 years or more, as stated by the factory.
